

15 July 2010

Dear Sheepbreeder member/Breed Society

EBLEX RAM LINKAGE PROGRAMME

I am enclosing details of the EBLEX Ram Linkage Programme which I hope you will want to support. The programme is open for nominations and I would like to invite you to nominate a ram for participation in the programme.

The programme aims to increase flock connectedness, and the use of elite genetics, within a breed. The enclosed document provides details of the programme rules and is worth £2,500 per ram to cover costs of semen collection etc (see guidelines).

If you would like to nominate a ram (or rams) for consideration, please send details to me by Wednesday 1 September 2010. An email or letter to me giving details of the ear number and name of the ram/s should be submitted before the closing deadline.

If you have any queries, please contact me.

Yours sincerely,

Carol A Davis
EBLEX Breeding Specialist
