

What I like most about Texel Sheep.

By Angharad Davies Age 7

They are very cuddly, especially the lambs. When they are handled every day they are quiet. Texels behave very well in shows when they are competing.

Daddy has been successful in local shows with ram lambs and especially ewe lambs. This year we went to Haverford West Show for the first time and had 1st Prize with a ewe called Salimalio.

My daddy has only got 10 ewes and 6 ewe lambs and 2 ram lambs. It's a very expensive hobby. Daddy is always complaining of so much paperwork.

We don't have a ram, daddy uses AI. We are lambing in February and I am looking forward to helping. The ewes are kept in a shed at the bottom of the garden.

Went to Brecon Sale on Saturday 13 December to see 65 ewes in lamb for sale with daddy for the first time.

This picture is of me as a young handler in St Clears show in daddy's coat. I had 2nd prize.
